# Benefits Are Being Given on a Limited-time Basis!

GPTCoin is providing a programme of benefits for a limited time to worldwide members who make the first move in deploying teams.

## **Deadline for early warmup benefits:**

Before formally going online

## **Details of this programme:**

So long as you sign up for an account during the warmup period and purchase the "Great Value Newcomer Giftpack," and deploy your team you will, in addition to the aforementioned benefits, also receive an extended 90 days of the privilege to rank promotion at only half market performance on the NFT market. For example a G3 team, which merely possesses a second line G2 level team with a performance of  $\geq 75,000$  USDT, can enjoy the normal team profit proportions and promotion rights.
